

**UNIFILLER**  
LINXIS GROUP

Tilt mechanism allows for easy changing of mixing bowls

Pump from any bowl or container

Flow control to adjust pump speed for different products

1.5" flexible outlet hose, for flexible pumping

Low air consumption

Small footprint and low height clearance

## iPUMP TRANSFER PUMP

The iPump is our most compact transfer pump ever. The gentle pumping technology quickly transfers products without sacrificing quality or production space. A great solution for achieving non-stop production. For more information visit [www.unifiller.com](http://www.unifiller.com).
