

UNIFILLER
LINXIS GROUP

Flow control to adjust pump speed for different products

Tilt mechanism allows for easy changing of mixing bowls

1.5" flexible outlet hose, for flexible portioning

Ergonomic hand held nozzle can be fitted with all standard bakery tips

Deposit from any bowl or container

Small footprint and low height clearance

iSPOT DEPOSITOR

The iSpot Depositor allows you to draw and portion smooth products directly from a bowl or pail. This allows for quick product change over and clean up without sacrificing quality or production space. A great solution for achieving non-stop production. For more information visit www.unifiller.com.
