Pratica Fit Express

The **Fit Express Speed Oven** is designed to cook fresh, chilled, or frozen food, with excellent results in terms of appearance, taste, and texture. The impinged air convection technology combined with microwave capabilities enables users to cook food up to ten times faster than when using traditional processes.

FEATURES & BENEFITS

- Up to 1024 recipes, with 8 steps each, divided by 16 groups;
- USB port to upload/download recipes;
- Adjustable temperature from 86°F (30°C) to 536°F (280°C);
- User friendly Interface;
- Independent control of air speed, temperature, and microwave;
- Constructed from AISI430 (exterior) and AISI304 (interior);
- Daily cleaning guide including explanatory videos that demonstrate the process step by step.

FIT EXPRESS
